Group Email Distribution List

While we have meetings approximately every other month, many times there is information available about special events, parent training sessions, group discussions etc. that needs to be communicated in a more timely fashion. To help parents, guardians and family members with caring for their child(ren) with special needs, we would like to establish an email distribution that will be used to disseminate information on programs and services that might be of interest. To be included in this email distribution please give your contact information to Inga Wronski at i.wronski@att.net. If you would like to have information distributed to the group, please contact Inga Wronski as well.

Future Events

Our next meeting will be held on Wednesday December 3 at 9:30 AM.

Resource Binder

- The Developmental Medicine Center at Children's Hospital is hosting a seminar on November 5, 2008 at 7 PM "Advances in Early Identification of Autism Spectrum Disorders and New Research Findings". Contact Rosetta Mojahed at 617-355-1933 for more information or to RSVP.
- The New England Sports Academy in Westwood has many sports fitness and wellness programs. We hear that they welcome children with special needs. Check them out at www.nesacademy.com.
- Special Olympics of Mass is having a one day Punt, Pass, & Kick event on October 4, 2008 to allow children the opportunity to learn about football and cheerleading. Check out the website at www.specialolympicsma.org/south. Contact person is Megan Benevides 508-821-3635

If you would like to peruse the Resource Binder, contact Marcy Lauretano.

A NOTE ABOUT THE ABINGTON SPED PAC

The Special Education Parent Advisory Council (SPED PAC) is a "knowledge based" organization that provides a forum for parents to connect with other parents and professionals who understand their particular needs and concerns. Attendance at these meetings/gatherings will gain you valuable "tips" from others who understand your challenges. It will equip you with a better understanding of the "IEP/Team Meeting" process and delivery of services children receive throughout the Abington Public School District. Please join us to have your questions answered and your voices heard all in an informal setting.
